INTRODUCTION

श्रद्धया देयम् । अश्रद्धयाऽदेयम् । श्रिया देयम् । द्विया देयम् । भिया देयम् । संविदा देयम् ।
Give with Faith. Give not without Faith. Give in Plenty. Give with Modesty. Give with Awe. Give with Sympathy.
(Source: Taittiriya Upanishad)

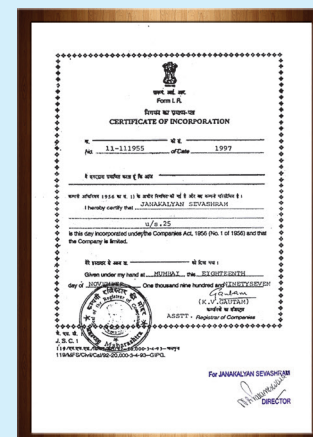

There comes a time in everybody's life when we look beyond ourselves, and wish to give to others – be it our money, time, or both. This innate urge to do good to others during our lifetime is what humanity is all about. So we need to practice the clear directions of the Upanishads – the fountainhead of wisdom.

Janakalyan Sevashram was started by a group of individuals in 1997 who set up this 'Not for Profit' company, and over the years, it has positively impacted both people and the environment around us. By creating infrastructure at Panvel for a "home away from home" for both senior citizens and orphans, supporting the medical needs of disadvantaged sections of the society, and sustaining these efforts for over 2 decades, this institution has truly lived up to its name and the ideals of its founding fathers.

But none of these could have happened or been maintained without the generous support from individuals, business houses and CSR funding. What has drawn the society at large to our cause has been our adhering to the highest level of transparency & ethics, and the commitment shown by a team of successful individuals with high credentials, who form the management of this institution.

As the institution matures, we are now on the threshold of expanding the scope of our activities and geographies. We seek your active support & patronage to help us in this journey. Together let us strive to make the world a better place.

THANK YOU
